Sir:

It has come to the intention of the three (3) originally named inventors, a fourth, previously unnamed inventor and the assignee of this application, that there should be four (4) coinventors named herein. It is therefore requested that this application be amended to add the name of Guoliang Xu as an additional coinventor. The original naming of three (3) coinventors, and this change in inventorship was and is without any deceptive intent on the part of any of the four (4) inventor individuals nor on the part of the organization-assignee of this invention and patent application.

Attached hereto and made a part hereof are:

A supplemental declaration executed by each of the properly named four (4) inventors;

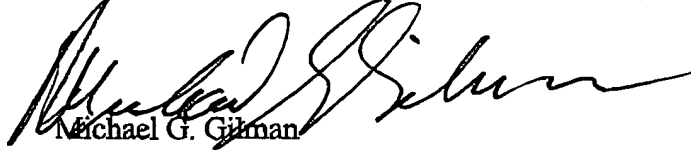

A consent of the assignee to this change in inventorship; and

An order to charge the undersigned attorneys' deposit account 07-1337 in the amount of \$130 as required by 37 CFR 1.17(i)

It is urged that the instant request for change of inventorship be entered and approved.

Respectfully Submitted,

LOWE HAUPTMAN GILMAN & BERNER, LLP
